Hi Mary,

We are all staying at the Embassy Suites Downtown...and we will have one car for the 5-6 of us to share if necessary.

Looking forward to the discussion next week!

V/r,
Jeff

Richard -

Thank you for sending this out. My only comment is I think it might take more time to cover the items identified in the morning and hopefully less time is needed for the items in the afternoon. Otherwise I think it looks good and I appreciate you all and Steve getting things out ahead of time.

For dinner, it would help to know where folks are staying (downtown, Lloyd district, etc) to pick the easiest spot for people particularly given the possibility of inclement weather and some people will not have cars. So if you can let me know where you're staying I'll work with Rollie to identify a spot and make a reservation. It would also help to know if we have any particular food constraints or desires.

Thanks -
Mary
